## Paso a Paso

1) Primero, hacemos clic en el botón “Jetzt buchen” (Reservar ahora).

2) En la segunda página, ya se nos ofrece todo en inglés. Elegimos el mes en el que queremos que comience nuestro billete.

The screenshot shows the DB website's ticket selection interface. At the top, a progress bar indicates the steps: Ticket (selected), Customer Data, Traveller, Bank Details, and Order. Below this, the 'Your ticket' section displays the 'Deutschland-Ticket DTV' for 63,00 € monthly, valid from January 2026. It includes a detailed description of the ticket's validity and a link for more information. The 'I receive my ticket as a' section offers the option of a mobile ticket in the DB Navigator app, listing benefits such as always having the ticket at hand and reducing waste. A 'Please note' section mentions the requirement of a smartphone and the automatic collection of BahnBonus points. At the bottom, the 'When would you like to begin?' section features a dropdown menu currently set to 'Valid from: January 2026'.
